## COMBINED

### DOGGING & BASIC RIGGING

As Dogging is a pre-requisite to Basic Rigging, why not do both certificates at once? This is an intensive course that runs for 6 days and covers all the WorkSafe Victoria licensing requirements to satisfy both certificates. All course materials are provided as well as your WorkSafe Victoria interim licence. Course modules includes: mass of objects, ropes, safety nets, chain blocks, erect structural steel, working at heights with harnesses, correct use of winches, chains, wires, sockets and hooks, knots, chain coupling links, slinging of loads, use of cranes, use of crane signals including whistle commands. We recommend a basic knowledge of mathematics in order to work out mathematical formulas. Practical component of training and assessment requires the student to work safely at heights.

**DURATION:** 5 x 8 hours

**COST:** \$1200.00

#### CLASS DATES

Monday 19th July - Friday 23rd July  
Monday 16th August - Friday 20th August  
Monday 13th September—Friday 17th Sep  
9:00am - 5:00pm each day  
Held at our Pakenham Site

## ROLLER

### TRAINING AND ASSESSMENT

This is a one day training and assessment course in roller operation for applicants wishing to obtain their certificate. Covers both theory and practical applications in order to obtain the national certificate

**DURATION:** 1 x 8 hours **COST:** \$370.00

#### CLASS DATES (SEAFORD)

Wed 18th Aug 9:00am-5:00pm  
Wed 8th Sep 9:00am-5:00pm

## DUMP TRUCK COURSE TRAINING COURSE

### TRAINING AND ASSESSMENT

This course is designed for students wishing to achieve their Dump Truck national certificate of competency, who have had no prior experience on a Dump Truck. This two day course will cover all the requirements for certification, as well as additional operating techniques that students will find useful on work sites.

Includes training, manuals and the issuing of the required certificate.

**DURATION:** 2 x 7

**COST:** \$1360.00

(don't pay \$4000+ elsewhere)

#### CLASS DATES (HASTINGS)

Mon 16th & Tues 17th August  
Mon 6th & Tues 7th May September  
Special note: This course is not for a road truck licence—only for off-road trucks

## MACHINERY TRAINING COURSES

Available for the following machinery:

### FRONT END LOADER, EXCAVATOR SKID STEER, BACKHOE CLASS DATES (HASTINGS)

Thurs	8th Jul	9:00am—4:00pm
Fri	9th Jul	9:00am—4:00pm
Sat	10th Jul	9:00am—4:00pm
Mon	26th Jul	9:00am—4:00pm
Tues	27th Jul	9:00am—4:00pm
Wed	28th Jul	9:00am—4:00pm
Thurs	5th Aug	9:00am—4:00pm
Fri	6th Aug	9:00am—4:00pm
Sat	7th Aug	9:00am—4:00pm
Thurs	26th Aug	9:00am—4:00pm
Fri	27th Aug	9:00am—4:00pm
Sat	28th Aug	9:00am—4:00pm
Mon	13th Sep	9:00am—4:00pm
Tues	14th Sep	9:00am—4:00pm
Wed	15th Sep	9:00am—4:00pm
Thurs	23rd Sep	9:00am—4:00pm
Fri	24th Sep	9:00am—4:00pm
Sat	25th Sep	9:00am—4:00pm

## INTERMEDIATE TRAINING COURSE

### 2 day training course

Designed for students with little or no prior operating hours on the selected machine. Concentrates on the theory and practical (operating) principals, with enough practical training for competency. This course is designed to provide the applicant with the thorough training required to be able to operate the machine independently and competently. Topics include OH&S awareness, code of practice, pre-operation and post-operational procedures, advanced practical operations, design and limitations of the machinery. Aims to enable students to enter the workforce.

Includes training, manuals and the issuing of the required certificate and operators card.

**DURATION:** 2 x 7 hours **COST:** \$595.00

SEE ABOVE PUBLISHED COURSE DATES FOR WHEN THIS COURSE IS RUNNING

## ONE DAY TRAINING COURSE FOR EXPERIENCED OPERATORS—

Recommended for students who have operated this machinery at a professional level for in excess of 100 hours, this course enables you to acquire your national certificate of competency. Conducted at our site, on our machinery, with an accredited assessor. We do not recommend this course for people that have no prior operating experience on this machine. We do not believe that it is possible to achieve competency on this type of equipment in only one day.

Includes training, manuals and the issuing of the required certificate and operators card

**DURATION:** 1 x 7 hours **COST:** \$415.00

SEE ABOVE PUBLISHED PLANT DATES FOR WHEN THIS COURSE IS RUNNING

## THE COMBINED PLANT OPERATOR COURSE

INCLUDES ALL OF THE BELOW LISTED MACHINERY

**EXCAVATOR, BOB CAT,  
FRONT END LOADER & BACK HOE**  
Still Great Value Works out at \$325 each

### Beat that!

Structured as a one week training and assessment course for students wishing to achieve competency in all the above machinery classes. This is a full training and assessment course in both theory and practical applications of all the above listed machines and it is recommended that applicants have some prior machinery operating experience, however this is not compulsory.

**INCLUDES ALL CERTIFICATES AND CARDS**

**DURATION:** 6 x 7 hours **COST:** \$1300.00

TIME: 9:00am - 4:00pm

#### CLASS DATES (HASTINGS)

Mon 19th July to Sat 24th July  
Mon 9th August to Sat 14th August  
Mon 30th August to Saturday 4th Sep  
Mon 27th September to Sat 2nd October

## ENGLISH A PROBLEM?

We can arrange for a verbal assessment to be conducted at the time of your training if you feel you may require assistance with reading and writing. Please arrange for a verbal

assessment when booking your course.

**COST:** \$40

## OWN YOUR OWN MACHINERY?

### ADVANCED OPERATORS ON SITE ASSESSMENT SERVICE

**EXCAVATOR  
SKID STEER  
SCRAPER  
ROLLER  
GANTRY CRANE  
FRONT END LOADER  
BACK HOE  
GRADER  
WATERCART & OTHERS**

## FOR THE ABOVE LISTED COURSES

Recommended for students with in excess of 100 hours operating experience before attempting these courses.

Conducted on your site (at a mutually convenient time), with your own machinery. Includes short training session prior to commencement, with an overview of current regulations.

INCLUDES TRAINING MANUALS

INCLUDES ASSESSMENT

INCLUDES CERTIFICATE

INCLUDES OPERATOR CARD

Duration: 1 x 3 hours (approx)

Cost: \$265.00 per assessment

### ASSESSMENT ONLY

Don't want the training, just the certificate for you or your staff?

We will beat any written quote.

## LOOKING FOR SOMETHING?

Are you looking for a particular course that  
You can't find here? Give us a call

**(03) 9776 4466**

Or check out our website at:  
[www.covetraining.com.au](http://www.covetraining.com.au)

## TRUCK TRAINING & LICENCING (VIC ROADS ACCREDITED)

VicRoads accredited training and  
licensing is now available in the follow-  
ing heavy vehicle license categories:

**LIGHT RIGID  
MEDIUM RIGID  
HEAVY RIGID  
HEAVY COMBINATION  
AVAILABLE DATES:**

Training courses and licence assess-  
ments are run on a daily basis. For  
available class dates, please call our  
office.

### ELIGIBILITY- IMPORTANT

Applicants on medication or with a  
medical certificate may require a medi-  
cal clearance by VicRoads prior to  
commencement of any training.  
Clearance from VicRoads may be re-  
quired prior to the commencement of  
any training or assessment.

Interstate drivers licences must be  
transferred to Victorian prior to any  
assessment taking place.

Applicants with international drivers  
licences must have written eligibility  
relating to the licence category they  
can be assessed against.

More information regarding legal elig-  
ibility can be found on the VicRoads  
website, or by calling them direct on  
131171

**CALL OR VISIT OUR SEAFORD OFFICE  
FOR AN APPLICATION FORM**

Duration: 12.5 hours

1 x 10 hours training + Test

**Cost: \$1,150.00**

Pre-Requisites: Car licence must be held  
for at least 24 months prior to applying

### HEAVY COMBINATION COURSE

Duration: 2 x 5 hour days + Test

**Cost: \$1,200.00**

Pre-Requisites: Current MR or HR licence  
must be held for at least 12 months prior to  
applying.

### TRUCK HOUR BY HOUR TRAINING

Do you already know how to drive a truck  
and not need the full course? Or do you  
require more than the structured course  
hours? We can organize hour by hour  
training:

#### Medium Rigid

Hourly training rate: \$95 p/hr (min 3 hrs)

#### Heavy Rigid

Hourly training rate: \$100 p/hr (min 3 hrs)

#### Heavy Combination

Hourly training rate: \$110 p/hr (min 4 hrs)

### RE-ASSESSMENT FEES

We do offer re-assessments on all our  
courses. Fees do apply for this service.  
Please speak to one of our friendly staff if  
you wish to book a re-assessment or any  
further training

## COMMON QUESTIONS WE GET ASKED:

**YES, we....**

- can run more courses upon demand,
- do accept purchase orders from agencies,
- do accept Incolink funded clients,
- are open on Saturdays
- are available to go out on site,
- do discounts for group bookings,
- try to make all our courses as interac-  
tive and informative as possible without  
making them boring at the same time,
- do have a website that is updated  
constantly ([www.covetraining.com.au](http://www.covetraining.com.au)),
- do have a company blog that is up-  
dated at:  
[covetraining.blogspot.com](http://covetraining.blogspot.com)
- are accredited nationally,
- are friendly and easy to deal with,
- really do want you to succeed,
- are always trying to increase the  
scope of courses we deliver,
- are professional, but not arrogant

**NO, we....**

- don't charge you for a pen if you don't  
bring one with you,
- don't want you to fail either, we would  
love all our students to pass their  
courses!
- will not lock you out of the class room  
if you are 5 minutes late (but a call  
would be nice),
- don't agree with having 20 people  
training on one machine at the same  
time (yes, this does happen),
- will not charge you for additional test  
papers or training guides
- will not charge you for coffee at our  
premises
